## ECB PLAY CRICKET REGISTRATION

Dear Cam CC Junior Parents,

We need to ask you to do something for us before the start of the season.

We need you to create an account on [cam.play-cricket.com](https://cam.play-cricket.com) and register any children aged 8-16 who might play in matches. **This is a very important, nationwide initiative from the ECB and EVERY club across the country is being asked to get ALL their parents to do this.**

Play-cricket.com is the portal which all cricket clubs use to manage their fixtures, results scorecards and league registrations. In the past, the clubs have added players to the portal so they can add them to scorecards and track their performance stats. However, from a GDPR perspective, we are no longer allowed to add player details ourselves and we need to ensure you have complete control of your personal data.

So, you firstly need to set up your own 'parent' account ... and this link tells you how to do that.

<https://play-cricket.ecb.co.uk/hc/en-us/articles/115004175645-The-Play-Cricket-Sign-up-Process>

Once you have done that, you need to add your children to your account ... and the instructions for that are here.

<https://play-cricket.ecb.co.uk/hc/en-us/articles/360001098418-Adding-a-child-to-a-parent-s-account>

Couple of notes:

- You will only have to do this once – not every season.
- Once your children turn 16, they will automatically be emailed by play-cricket to set up their own account (if you link an email to their child account)
- If you also have children that are already over 16, please ask them to create their own account.
- This is a completely separate process to paying your club annual membership.

I hope this all makes sense, but please do get in touch if you have any questions.

Kind regards

Dave Cotterell  
Cam Cricket Club Youth Chairman
